

Matsyodari Shikshan Sanstha's,
Arts, Science and Commerce College, Ambad
Dist. Jalna – 431204

2.3.1: Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences.

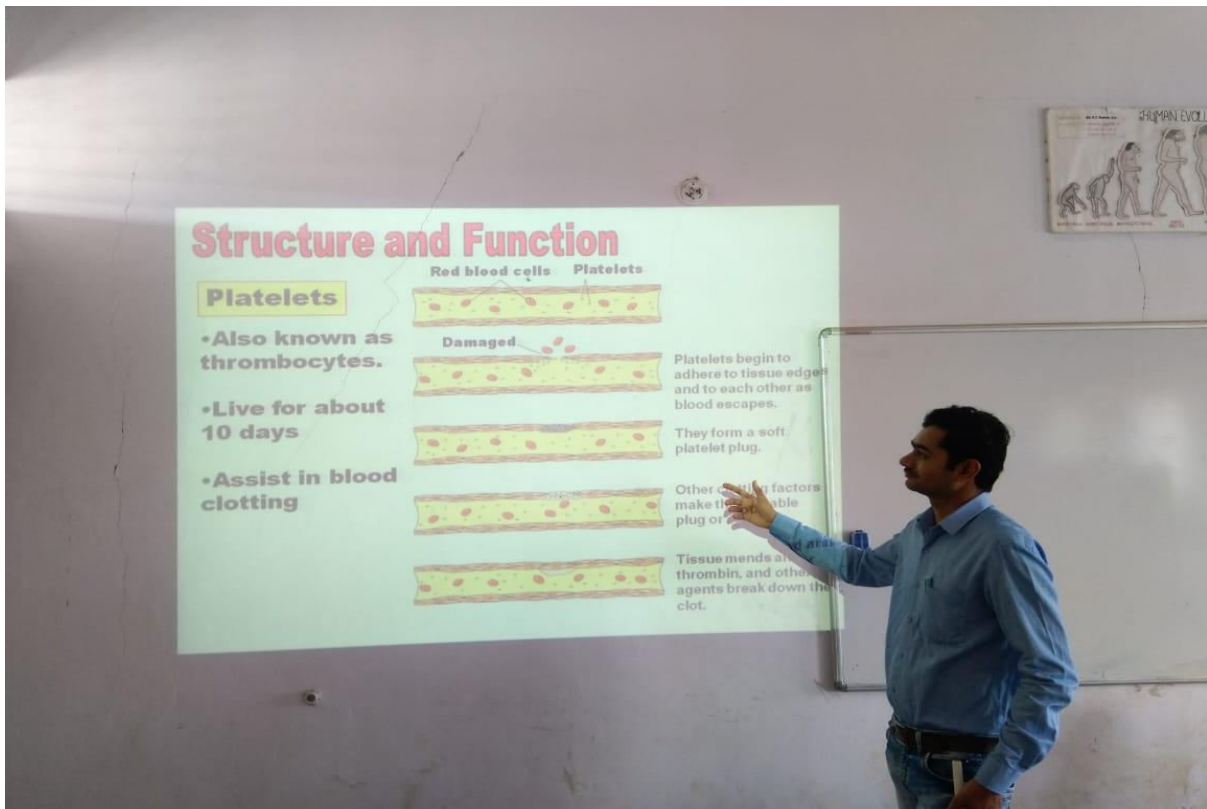

The faculty members use a variety of teaching-learning techniques, such as the interactive lecture method, project-based learning, computer-assisted learning, experiential learning, etc. Illustration and customized lectures help to make the teaching-learning activities effective. In addition to Seminars, Group Discussion, Field Visits, Study Tours, Project Work, Wall Bulletin, PowerPoint presentations etc. are used to teach lessons in order to make learning enjoyable.
