

6.2 Strategic/Perspective plan development and deployment

MSS's Arts, Commerce and Science College, Ambad has prepared a strategic plan. While preparing this strategic plan, the institute has taken into consideration its growing needs, the feedback and suggestions which are received from the IQAC, the Students, Faculty, Staff, Alumni, Employers and the Management. This plan included development of Academic and Sports Infrastructure, New Academic programmed, Green Initiatives and Campus Beautification, Development of ICT, Library Facilities, Upgrading Research Facilities, New Initiatives for Extension and Outreach etc.

1. Introduction of new subjects and courses at Under-Graduate and Post-Graduate level

The college is situated in rural and nearby tribal area. Local students are getting an opportunity of higher education at Under Graduate and Post Graduate level in the faculty of Arts, Commerce and Science in few subjects. It is one of the renowned colleges in nearby area. The stakeholder of the college constantly demanded to introduce the optional subjects at Under Graduate and Post Graduate level and competitive exam orientated subjects in the college to cater the need of students.

Response

- Due to the introduction of the new Subjects and courses in the college, the students got an opportunity to complete their higher education at home town instead of going to the district places.
- The college has got a credit of some students who secured the merit position in Dr. Babasaheb Ambedkar Marathwada University, Aurangabad Merit list at Under Graduation in the subjects.
- The parents of girl students, who were not willing to send their wards out of the station to complete the higher education study, got a facility at local level. So, most of the girl students could complete their post-Graduation in the subject Arts, Commerce and Science.

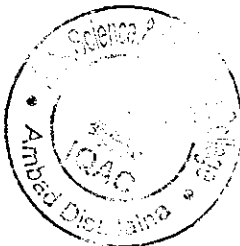

2. Health awareness by NSS unit

1. To organize Seven days NSS camp has being organized by college in Khapardev Hivra village
2. To create awareness about health issue in villages peoples.
3. To improve health standard of village.

Response

- Institute organized seven days NSS camp at Khapardev Hivra village during 22 March to 28 March 2022
- Students as volunteers in NSS units participated in outreach and extension activities to inculcate social values in them.
- Students have visited villages to create health awareness about the COVID-19 pandemic and distributed hand-wash, and sanitizers to the villagers.
- A cultural programme was organized at NSS camp.
